LB 17, 32, 253, 327, 451,  
472, 494, 619, 621

SPEAKER NICHOL: Senator DeCamp, for purpose do you rise?

SENATOR DeCAMP: Mr. President, if I offended Senator Newell or anybody else by saying anything pejorative or whatever the word is, I truly apologize. I did want to emphasize that I think we have got some serious problems with the Revenue Department playing games bringing letters in at the last minute and some of the things that have gone on on this bill.

SPEAKER NICHOL: Okay, thank you. The question is the adoption of the DeCamp-Beutler....no, is the return of the bill for the DeCamp-Beutler amendment. All those in favor of returning the bill please vote aye, opposed no. It takes 25 votes. Have you all voted that wish to? We are on Final Reading. One is excused. Record, Mr. Clerk. Senator DeCamp. We are supposed to be on Final Reading which means we are supposed to be in our seat. However, a few have strayed.

SENATOR DeCAMP: Why don't we have a check and see if we have everybody here just for the heck of it.

SPEAKER NICHOL: Okay, we will check in, please, and then we will have a roll call vote. Most of you are in your seats, please push your green button so I don't have to embarrass you by calling your name. Senator Labeledz, do you want to check in, please. Senator Marsh. Senator Rod Johnson. Senator Haberman. Senator Withem. Senator Kahle. We are looking for Senator Kahle. While the Legislature is in session and capable of transacting business, I propose to sign and do sign LB 619, 494, 472, 451, 327, 253, 32, and 621. We are still looking for Senator Kahle. If you will please return to your seats, we will begin with the roll call. Let's hold the conversation down. Please return to your seats so we can begin the roll call. Thank you. Begin, Mr. Clerk.

CLERK: (Read the roll call vote as found on pages 2349 and 2350 of the Legislative Journal.) 26 ayes, 22 nays on the motion to return the bill.

SPEAKER NICHOL: The bill is returned. Senator DeCamp. The motion is to adopt the DeCamp-Beutler amendment. Senator Newell.

SENATOR NEWELL: Mr. President and members of the Legislature, I guess this once again displays that the lobby is pretty powerful and that the only issue that we discuss here is how we can take care of our friends. I guess
